*Dear Community Member,*

*I would like to introduce myself and share some Crime Prevention ideas with you...*

*Lock your car doors and keep valuables out of sight.  
Keep an eye on your neighbor's house when they are away.  
Secure your houses and your sheds.  
If you see something that **you** feel is suspicious, call 911.*

***Together we can combat crime in your community.***

*If you have any questions or concerns do not hesitate to contact the Community Outreach Team for assistance. We also offer **Free Security Surveys** where an officer will respond to your home or business and share ideas and suggestions on ways to make you home or business more secure.*

**REMEMBER, YOU'RE THE EYES AND EARS OF YOUR COMMUNITY!**

*Thank you,
